SPEAKER: Mrs. Lorna Dueck

Lorna Dueck is the creator, host and executive producer of *Listen Up TV* and President of Media Voice Generation, the Canadian charitable organization that produces the weekly broadcast.

A popular television personality and public speaker, Lorna is also a regular commentary writer on faith and public life in Canada's leading national newspaper, *The Globe and Mail*.

From 1994 to 2002, she co-hosted Canada's most-watched daily Christian television program, *100 Huntley Street*. It was during that time that she launched *Listen Up* as a weekly feature within the *100 Huntley Street* program. She established Media Voice Generation – taking *Listen Up* independent from its parent program in 2004. The program airs on a variety of mainstream and Christian television stations and networks across North America, and is available worldwide on the internet.

Lorna holds an honorary doctorate in Christian Ministry from Trinity Western University. In 2008 she was presented with the "Leading Women Award" for her outstanding contributions to the fields of media and communications. In 2009 she was awarded the "Distinguished Christian Leadership Award" from Providence College and Seminary in Otterburne, Manitoba.

The Calgary Leadership Prayer Breakfast is pleased to welcome Lorna Dueck as our guest speaker.

Calgary Leadership Prayer Breakfast

Purpose:

The Calgary Leadership Prayer Breakfast serves as a quiet way to reaffirm our faith in God and an opportunity to participate in fellowship.

The practice has its precedent in the National and Provincial Capitals where our Leaders have assembled for over forty years. Each gathering is a public affirmation of the responsibilities of a nation under God.

Sponsored by concerned government, business, labour and professional leaders, Prayer Breakfasts are held in more than fifty countries, each in its own way contributing to a wider spiritual awakening.
